**WE WANT TO EDUCATE AND TRAIN YOU!!!**

The CERT Program educates and trains citizens in basic disaster response skills such as fire safety, light search and rescue and disaster medical operations. With proper CERT training, you can help protect your family, neighbors and co-workers if a disaster occurs.

The CERT program is a positive and realistic approach to emergency and disaster situations where citizens will initially be on their own and their actions can make a difference. If you have an interest in learning how to prepare yourself for disaster and helping your community, we welcome you to participate in one of our two academies – FREE OF CHARGE!

Please contact our administration office at (916) 617-4600 or visit our website at:
