Batteries

Batteries are banned from landfill disposal in the State of California and may **NOT** be thrown away with trash. There are 41 convenient locations within Yolo County where residents may drop-off household batteries for safe recycling. See the inside back page of this calendar to find your closest battery drop off location. Lead-acid batteries from motor vehicles may be dropped off daily at the County Landfill for **FREE** recycling.

CFLS

Compact fluorescent lightbulbs (CFLs) and fluorescent tubes contain hazardous mercury and **CANNOT** be disposed of with trash. Fluorescent bulbs and tubes may be safely disposed of at:

- **Home Depot**, 1860 E Main St, Woodland (CFLs only)
- **Home Depot**, 690 Riverpoint Ct, West Sacramento
- **IKEA**, 700 IKEA Ct, West Sacramento (CFLs only)
- **Orchard Supply Hardware**, 1350 E Main St, Woodland
- **Yolo County Central Landfill**, 44090 CR 28H, Woodland

Incandescent, halogen and LED light bulbs do not contain hazardous substances and may be thrown away as trash.

Christmas lights & neon lights may be recycled at the Yolo County Central Landfill. Neon lights may contain hazardous substances and should be dropped off during the landfill's **FREE** Household Hazardous Waste (HHW) drop off days, every Friday and Saturday from 7:30 a.m. to 3:30 p.m.

Donation Drop-Off

Instead of throwing your stuff away, consider donating it for reuse! The Yolo County Central Landfill now accepts donations daily for the new Big Blue Recycling Barn Thrift Store. See back pages of calendar to view a list of other thrift stores and donation drop-off locations.

Electronic Waste

E-waste includes but is not limited to: TVs, computer monitors, cell phones, printers, laptops and devices containing circuit boards. Some e-waste contains hazardous substances and may **NOT** be thrown away as trash. The Yolo County Central Landfill accepts e-waste daily for **FREE** recycling. Prior to recycling your e-waste, please remove all batteries and ink cartridges. Other Yolo County e-waste recyclers include:

- **Best Buy**, 2165 Bronze Star Dr, Woodland
- **Goodwill Donation Xpress**, 2939 Spafford St, Davis
- **Goodwill Donation Xpress**, 417 Mace Blvd, Davis
- **Yolo County SPCA Thrift Store**, 920 3rd St, Davis
- **The Esparto Recycling & Transfer Facility**, 27075 County Rd 19A, Esparto
- **Yolo Employment Services**, 660 6th St, Woodland

West Sacramento residents may call (916) 617-4590 for up-to-date information on local e-waste recycling options.

Farm Plastics

The Yolo County Central Landfill accepts drip tape for **FREE** recycling on a daily basis from Yolo County growers. Drip tape must be bound, bundled or coiled with drip tape or twine. Agricultural plastics are only accepted for recycling on Fridays. Mulch film plastic is not currently recyclable at the landfill (disposal fees apply).

Glass

Not all glass is created equal. For disposal purposes glass can be broken down into three categories: California Redemption Value (CRV) redeemable, recyclable and non-recyclable.

- **CRV** glass beverage containers have a deposit associated with them. Look for “**CA CRV**” or “**CA CASH REFUND**” on the container. You may recycle CRV glass at a CRV redemption center and receive a CRV deposit refund. Please see the back pages of the calendar to view a list of certified CRV recycling centers located in Yolo County.
- **Recyclable Glass** includes glass bottles and jars that have contained food or beverages, such as wine bottles and spaghetti sauce jars. All recyclable glass, including CRV glass, may be placed in your curbside recycling container.
- **Non-Recyclable Glass** includes window glass, drinking glasses and glass baking dishes. This type of glass should be placed in your curbside trash container for disposal.

Hazardous Waste

Household hazardous waste (HHW) includes household items that have a hazardous component.

HHW includes but is not limited to: auto fluids, batteries, some cleaning products, flammable liquids, mercury thermometers, paint, pesticides, pharmaceuticals, syringes and other poisonous and hazardous items.

To properly dispose of HHW, the Yolo County Central Landfill offers residents **FREE** drop off of HHW every Friday and Saturday from 7:30 a.m. to 3:30 p.m.

Seniors and disabled residents who are unable to drive may be eligible for a **FREE** HHW pickup appointment. For more information about the Yolo County HHW program, visit YoloCounty.org and click on the landfill tab or call (530) 666-8856.

Ink & Toner

Recycle your ink and toner cartridges for **FREE** at the following locations:

- **Best Buy**, 2165 Bronze Star Dr, Woodland
- **Cartridge World**, 130 G St, Davis
- **Office Max**, 2107 Cowell Blvd, Davis

Kids Gear

Trying to figure out what to do with all the extra stuff that the kids have outgrown? Look no further! Clothes, toys and furniture may be donated or sold. See back pages of this calendar to view a list of local thrift stores and donation drop-off locations. You may also look for other donation and resale options on websites such as Nextdoor, Craigslist, Ebay, Facebook, and Freecycle.

Children's Car Seats

Children's car seats should **NOT** be sold or donated. Used car seats may be missing safety labels and installation instructions. They may be damaged, have exceeded their expiration date or be subject to a safety recall, which could make them ineffective in an accident.

To properly dispose of a child's car seat, cut, remove, and throw away the padding and straps. Write "unsafe" on the plastic seat. Recycle at:

- **Davis Waste Removal**, 2727 2nd St, Davis, or
- **Yolo County Health Department**, 137 N Cottonwood St, Woodland

Contact the Yolo County Health Department, Car Seat Recycling Program at (530) 666-8561 or your local jurisdiction for additional information on children's car seat recycling.

Mattresses

Rest easy Yolo County, mattress recycling has never been more convenient! State law requires that mattress retailers haul away an old mattress and box spring for **FREE** when delivering a new mattress. Residents may now recycle old mattresses and boxsprings for **FREE** every day at the Yolo County Landfill. If you are unable to transport your mattress to the landfill, there may be other mattress recycling options available to you through your local recycling program. See back page of calendar for your local program contact information.

Needles & Other Sharps

It is illegal to place used sharps (syringes, hypodermic needles, pen needles, lancets, etc.) in the trash. To safely dispose of sharps, place them in a puncture-proof container, tape the lid closed and write “sharps waste” on the container. The Yolo Central County Landfill accepts properly contained and labeled home-generated sharps during their **FREE** Household Hazardous Waste (HHW) Drop-Off Days every Friday and Saturday from 7:30a.m. to 3:30p.m. Senior and disabled residents who are unable to drive may be eligible for a **FREE** Senior/Disabled Pick-Up of HHW. Call (530) 666-8856 for additional information.

Other authorized sharps disposal facilities can be found by calling: 1-800-CLEANUP (1-800-253-2687), or by visiting the California Department of Public Health website at CDPH.ca.gov

O rganics

Yolo County and the surrounding communities are committed to increasing diversion of organic waste from the landfill. Organic waste includes food scraps and food-soiled paper, yard waste and wood. Most Yolo County residents recycle their yard waste through their local curbside collection program. Some Yolo County communities also have curbside recycling of food scraps & food-soiled paper. For details about the organic recycling services in your area, contact your local agency. See the back page of the calendar for local program contact information.

If your curbside collection program does not offer food waste recycling, consider composting it. Composting is nature's way of recycling plant materials into a nutrient-rich soil supplement.

For more information about composting visit CalRecycle.ca.gov/Organics/Homecompost

P harmaceuticals

Yolo County residents may now safely dispose of medications, including prescription and non-prescription pills, liquids, lotions and ointments **FREE** in the medication drop-off bins at the following locations:

- **Davis Police Department**, 2600 Fifth Street, Davis. (9a.m.-5:30p.m.) Monday-Thursday & every other Friday

CONDITIONALLY EXEMPT SMALL QUANTITY GENERATORS

The Yolo County Central Landfill offers small businesses, including farms and ranches, the CESQG program for proper disposal of hazardous waste such as fertilizers, pesticides, cleaning chemicals and more. Small businesses may dispose of up to 220 lbs. or 27 gallons of hazardous waste.

To utilize this program:

- 1: Obtain an EPA ID number by visiting: DTSC.ca.gov/Idmanifest
- 2: Schedule an appointment: Call (800) 207-8222

An EPA ID number is not necessary to dispose of batteries and fluorescent bulbs at the landfill.

CALIFORNIA REDEMPTION VALUE (CRV) & SCRAP METAL RECYCLERS

Scrap metal and CRV bottles and cans are valuable! Recycle your CRV beverage containers at a state certified redemption center to receive a cash refund of the container deposit. Visit BottlesandCans.org for more information about CRV recycling. Metal items and those items made primarily of metal, such as bike and car frames, plumbing pipe, and patio furniture can be recycled for scrap value. Please see the inside back pages of this calendar to view a list of local CRV and Scrap metal recyclers.

Used Oil & Filters

One gallon of used motor oil can pollute one million gallons of water. Help keep our water safe and clean by recycling your used motor oil and filters. There are 16 state certified used oil recycling locations in Yolo County. Many of these recyclers also accept used motor oil filters for recycling.

See the inside back page of this calendar for a list of used motor oil and filter recycling centers located in Yolo County.

Vehicles, Donations & Recycling

Do you have an old vehicle that you no longer use? Consider donating it to a favorite charity! Many charities accept vehicle donations, and in some cases, even if the vehicle no longer runs.

Metal car parts may be recycled as scrap metal at the Yolo County Landfill or with a scrap metal recycler. See Recycling Centers on the inside back pages of this calendar to find a list of local scrap metal recyclers.

Car, truck, tractor and motorcycle tires (with or without rims) may be recycled at the Yolo County Landfill (fees apply). Please note: nine tire limit per load except with a tire hauling permit.

Small tires, such as those found on bicycles and wheel barrows, may be recycled at the landfill for **FREE** if quantities do not exceed 10 small tires per load.

Wood

Lumber, pallets, crates, fencing, trim blocks, plywood, particleboard, decking and other clean wood products may be recycled at the locations listed below. Call ahead as restrictions and fees may apply.

- **Palletmasters**, 104 Matmor Rd, Woodland (530) 661-7543 (Pallets only)
- **West Sac Pallets**, 4300 W. Capitol Ave, West Sacramento (916) 375-1945 (pallets only)
- **Woodland Biomass**, 1786 E Kentucky Ave, Woodland (530) 661-6095
- **Yolo County Central Landfill**, 44090 County Rd 28H, Woodland (530) 666-8856

Pressure treated wood, PCP (pentachlorophenol) treated wood and railroad ties contain hazardous chemicals and may **NOT** be disposed of as trash. The Yolo County Central Landfill accepts treated wood for special disposal. Restrictions may apply. Please contact the landfill at (530) 666-8856 for more information.

Extinguishers

Fire Extinguishers should **NOT** be thrown away as trash. While most contemporary fire extinguishers do not contain toxic fire suppressants, some older and less common extinguishers do.

Additionally, **ALL** pressurized cylinder type extinguishers have the potential to explode if the cylinder becomes damaged.

Yolo County residents may safely dispose of fire extinguishers for **FREE** at the Yolo County Landfill during their Household Hazardous Waste Drop Off days, every Friday and Saturday, from 7:30a.m. to 3:30p.m.

Check with your local fire safety equipment supplier to learn about fire extinguisher recharging options.

Zero Waste

Between Thanksgiving and the New Year, Americans throw away 25% more trash than any other time of year. That's an extra 1 million tons of trash each week. This year make the holidays and the New Year **Zero Waste** by following these simple tips!

- **Pre-cycle:** Before you hit the malls, take an inventory of what you already have. Decorate your home with family favorites. Donate items you no longer use.
- **Plan ahead:** Once you know what you have, create a shopping list and stick to it. Don't shop for food when hungry, and don't forget to bring your own shopping bags.
- **Go real:** Use real dishes, cutlery and cloth napkins instead of single-use paper & plastic. Recycle bottles and cans.
- **Make the most out of your meals:** Send each of your guests home with a doggie bag. Refrigerate all other leftovers as soon as possible to preserve their edible shelf life.
- **Give of yourself:** Give the gift of your time or an experience rather than unneeded stuff.
- **Buy recycled content:** Look for recycled content in all of your purchases.
- **Buy reusable instead of single-use:** Use gift bags instead of wrapping paper. Reuse the ribbons and bows rather than throwing them away.
- **Practice the “three Rs” every day:** Reduce, Reuse, and Recycle for a Zero Waste New Year!
